

# **WELLVANCE PROVIDER DIRECTORY BY SERVICE TYPE**

**JANUARY 2026**

**Please note this directory is updated monthly.**

# Important Training Information

The NMRE Regional Entity oversees mental health and substance use disorder services for the residents of 21 counties in the Northern Lower Peninsula. Wellvance is one of five Community Mental Health (CMH) organizations in our region.

A provider is any individual, network, or organization with whom we contract to work directly with our clients. Although many of our providers are here in Northern Michigan, we contract with organizations across the state in order to serve our communities.

If there is a website listed under provider's name, that is a link to their website where you can learn more about the provider. Clicking on the underlined website name will open the website in your browser.

The providers listed below have been organized by the services that they offer. Some providers offer more than one type of service, or have more than one physical address, and may appear in multiple locations on this list.

\*The "CCT" column indicates whether or not a provider has a staff member that has received Cultural Competency Training.

For Substance Use Disorder services only, please contact Northern Michigan Regional Entity (NMRE), the Prepaid Inpatient Health Plan for 21 counties in Northern Michigan. NMRE manages and coordinates prevention, treatment, and recovery support for services with substance abuse disorders in this region and can assist you in finding a provider at their website [NMRE.org](http://NMRE.org) or via phone at 800-834-3393.
